

Open Events 2021 - 2022

Please regularly check the sixth form/college website to confirm dates and times of open events, as they may be subject to change, and new dates may be added. Some institutions will offer virtual events, others may offer in person open events or the option for both. Make sure you fill out enquiry forms on the school websites to stay up to date with open event information. Most open events this year require you to register in advance.
